

WHAT IS CLAIMED IS:

1. A mobile communication device with a battery strap, comprising:
 - a main device; and
 - a battery strap electrically connected to said main device for providing a battery power to said main device and worn by a user.
2. The device according to claim 1, wherein said main device comprises a display and a keyboard.
3. The device according to claim 1, wherein said main device is a wireless phone.
4. The device according to claim 2, wherein said keyboard is arranged around said main device.
5. The device according to claim 1, wherein said battery strap is flexible.
6. The device according to claim 1, wherein said battery strap is a rechargeable battery.
7. The device according to claim 1, wherein said main device further comprises a power jack for charging said battery strap.
8. The device according to claim 7, wherein said power jack is a phonejack.
9. The device according to claim 1, wherein said mobile communication device further comprises a headset.
10. The device according to claim 9, wherein said headset is a wireless headset.
11. A mobile communication device with a battery strap, comprising:
 - a main device;
 - a cover having a connecting portion connected to said main body; and
 - a battery strap electrically connected to said main body for providing a battery power to said main device and worn by a user.

12. The device according to claim 11, wherein said main device comprises a keyboard.
13. The device according to claim 11, wherein said main device is a wireless phone.
14. The device according to claim 11, wherein said cover further comprises a display.
15. The device according to claim 11, wherein each of two surfaces of said cover comprises a display.
16. The device according to claim 11, wherein said battery strap is flexible.
17. The device according to claim 11, wherein said battery strap is a rechargeable battery.
18. The device according to claim 11, wherein said main device further comprises a power jack for charging said battery strap.
19. The device according to claim 18, wherein said power jack is a phonejack.
20. The device according to claim 11, wherein said mobile communication device further comprises a headset.
21. The device according to claim 20, wherein said headset is a wireless headset.
